RESOLUTIONS OF THE PRIVY COUNCIL.

At a meeting of the Privy Council of State, held at Iolani Palace on Thursday, Jan. 29, 1891, the following resolutions were unanimously adopt-

AFTER a reign longer than that of any other sovereign of Hawaii but one, the earthly life of our beloved King Kalakana was closed at 2:30 o'clock on Tuesday, the 20th day of January, 1891, in San Francisco, California, United States of America.

Failing health for some months past made it seem advisable that he should seek to regain it by a voyage to the more bracing climate of California, and inspired with this hope, he left his kingdom in November last. The voyage and change of circumstance at first seemed to benefit him, but at length mortal disease appeared with increased vigor, and he sank to sleep scarce nine days ago in a foreign | P. M. land. The friendly ship which the Hawaiian people were waiting for with expectant eyes, came this morning, bringing back, not their Sovereign in renewed health, but, alas, his lifeless remains. The decorations of loyal affection preparing for his reception are speedily changed into those of mourning, and we meet today in the impulse of a common sorrow.

The reign of our departed King was memorable as an era of remarkable and increasing prosperity. In the seventeen years of his reign, now closed, this nation has made rapid strides in its material industries, education and the arts of civilization.

But death comes alike to King and commoner, and the seventh Sovereign of Hawaii has gone to join the roll of the illustrious dead. We humbly bow to the will of God. THEREFORE BE IT

RESOLVED, That the Privy Council of State here assembled, join with his beloved Consort, His Royal Sister and relatives, and the Hawaiian people, in expressing our great sorrow at this untimely decease of our late King.

RESOLVED, That the foregoing preamble and resolutions be entered upon the records of the Privy Council and published in the newspapers of this city, and

RESOLVED, That the members of this Council wear the customary mourning for a period of thirty days. C. P. IAUKEA, 25 16-4 41 Becretary.

FRIDAY, JAN. 30, 1891.

Yesterday afternoon at 3 o'clock the Hawaiian Cabinet issued a proclamation, which was officially made known to the people by the heralds of the Kingdom, announcing Princess Liliuokalani Queen of the Hawaiian Islands, under the title of "Liliuokalani." During the afternoon the Privy Council of State met and passed suitable resolutions, appropriate to the sad occasion.

Never, since the death and burial of the lamented Queen Emma, has such a national display of sorrow been made manifest, as was shown yesterday from the firing of the first minute gun until the mortal remains of His late Majesty were solemply laid in state in the Throne room of the Palace. The entire Kingdom has now entered upon a period of mourns ing which will be continued until the last rad rites are paid to the late
